

EXPERIENCE AN ENCHANTED CHRISTMAS AT HAT WORKS

Why not get into the festive spirit by paying a visit to the Christmas extravaganza at Hat Works?

Enchanted Christmas is a family fun event on Sunday 10th December, from 1.00pm to 5.00pm. It's the ideal way for people of all ages to embrace the spirit of the season by enjoying musical performances and face painting while sipping a glass of mulled wine and nibbling on a mince pie!

Highlights from the day will include Christmas carols sang by Stockport's very own Liberty Belles, who will raise the rafters with ladies barbershop style singing at its very best!

Visitors will also enjoy performances from three fantastic dance acts - the Urban Gypsies, the Milltown Cloggies and the fabulous Groove Girlz. Children have the opportunity to visit Father Christmas and his helper in his magical grotto where they will receive a small gift. They'll also be a free craft activity to try your hand at and a very talented face painter will be transforming people into whoever or whatever they want.

Performances, workshops and face painting will take place throughout the afternoon to ensure that all visitors get the chance to enjoy the full range of activities on offer.

Admission price for adults is £2.50 and children get in for free. However there is a £2.00 charge to visit Father Christmas.

For more information contact Hat Works on 0845 833 0975, or visit www.hatworks.org.uk
